Final Instructions

First of all, I would like to thank you for your entry to this year's Primrose Trophy Navigational Rally.

Please find attached a seeded entry list, which also includes your provisional start number. This will also be available online at www.cdmconline.com. I have tried my best to seed you given both the information provided and my own experience. If you feel like the seeding is severely incorrect, please do not hesitate to get in touch.

Don't forget: for this first time this year, the club has chosen to support a charity through the running of this event: North West Air Ambulance Charity; please give generously. I'm sure you'll all agree that this is a cause worth giving to, and one that we all hope we will never have to use.

We are also pleased to welcome YB Racing as a sponsor to this years event. Be sure to check out their website at www.ybracing.com. They are also currently offering 10% off your first order when you sign up to their newsletter!

Finally, myself and the rest of the organising team would like to wish you a safe and enjoyable night's sport. See you Saturday!

Matthew Broadbent – Clerk of the Course

16 Reminders and Additional Information

Petrol is available (24-hours a day) directly at the start venue, and also close to the finish venue.

Trailers can be left overnight at the services in the parking areas (as illustrated in the included diagram). Please do not park trailers in the main HGV area, to the far right on the diagram – this has been requested by the service's management. Trailers are left at the owner's risk. There is 24-hour CCTV surveillance at the services and routine patrols are made throughout the night.
