The Clitheronian Rally 2019 - Foreword

Welcome to the Clitheronian Rally in its 13th year with the current organising team and winner of the the Paul Coombes Trophy for the best SD34 Road Rally of 2018, for the sixth year running.

This year the event is again being run under a Road Rally permit, with straightforward navigation in the form of six figure grid references with ample time to plot. As ever, we aim to provide you with some no-nonsense rallying on great roads. This year the start returns to Blackburn services using maps 97, 98, 102 and 103 over 145 miles of classic, 100% tarmac roads that will be familiar to many competitors, but still challenging nonetheless.

The club has again chosen to support the North West Air Ambulance Charity through the running of the event. £5 from every entry will be donated directly to the charity with the opportunity to add to this amount on the entry form. There will also be a collection at signing on; please give generously either way. We're sure you will all agree that this is a cause worthy of our support and one that we all hope we will never need to use.

We look forward to presenting all classes of competitor with a great night's motor sport. Enjoy!

Marshals Appeal

Without the generous support of the marshals, we wouldn't have an event.

Whilst we are not insisting that each competitor brings a marshal (as many clubs are doing these days) it would be an enormous help if you could ask your friends or club colleagues if they would like to support our event.

All marshals attending the finish will receive a free breakfast.

If you would like to marshal, please contact the chief marshal:-
